ABOUT US

Welcome to **Samarth Power Solutions**, a trusted name in power solutions for the past 20+ years. Located in the heart of Ahilyanagar, at N-19, N Block, Opp. Shrijee Works, Renuka Nagar, Nagapur MIDC, Ahilyanagar - 414111, we are committed to powering your homes, businesses, and industries with reliable and efficient energy solutions.

We specialize in the manufacturing of high-quality servo stabilizers, ranging from 1 kVA to 200 kVA, designed to meet the diverse needs of our customers. Over the years, our focus on quality and service has made us a preferred partner across Maharashtra.

We are also an authorized dealer of Exide and Microtek inverters, offering a wide range of products.

Our expertise doesn't stop at sales — we also provide comprehensive service and repairs for all types of UPS, stabilizers, and inverters. Our team of skilled technicians ensures quick, reliable, and cost-effective solutions to keep your systems running smoothly.

In addition to our own manufacturing and dealership, we proudly deal with renowned brands like Fuji, Vertiv, Kraykad, and Numeric, enabling us to offer customers more choices and advanced technology.

At **Samarth Power Solutions**, customer satisfaction is at the core of everything we do. Whether you're looking to purchase new equipment, get your existing systems serviced, or need expert advice on power solutions, we're here to help you every step of the way.

Power your future with
SAMARTH POWER SOLUTIONS
where reliability meets experience.

OUR VISION

To empower businesses, industries, and homes across Maharashtra with reliable, innovative, and sustainable power solutions that protect equipment, improve productivity, and ensure peace of mind — even in the most demanding conditions.

OUR MISSION

- ✓ To deliver world-class stabilizers, UPS, inverters, and batteries designed to meet the highest standards of safety and performance.
- ✓ To maintain a robust service network that provides quick, professional support across every corner of Maharashtra.
- ✓ To invest continuously in training, technology, and processes to stay ahead of customer expectations and industry trends.
- ✓ To foster long-term partnerships with our clients by being responsive, transparent, and dependable.
- ✓ To contribute positively to the communities we serve by promoting energy efficiency and reliability.

WHY CHOOSE US?

- 20+ Years of Proven Excellence**

We have been a trusted name in power solutions for over a decade and a half, delivering consistent quality and service.
- Complete Power Solutions Under One Roof**

From stabilizers and UPS to inverters, batteries, and repair services — we are your one-stop shop for all power backup and protection needs.
- Statewide Presence with Local Support**

With trained engineers strategically located in every district of Maharashtra, we ensure fast response and personalized service wherever you are.
- Custom-Built Stabilizers**

We manufacture stabilizers from 1 kVA to 200 kVA, tailored to your exact specifications and application — whether residential, commercial, or industrial.
- Authorized Dealer of Top Brands**

As an authorized dealer for Microtek, Exide and other reputed brands, we guarantee genuine products and warranties.
- Highly Skilled Engineering Team**

Our engineers undergo rigorous training and are equipped with the latest tools to deliver expert installation, maintenance, and repair services.
- Customer-First Approach**

We understand the critical role power plays in your operations and go the extra mile to keep you running without interruption.
- Commitment to Quality & Reliability**

Every product we sell and every service we deliver is backed by our unwavering commitment to reliability and customer satisfaction.
- Proven Track Record Across Sectors**

We have successfully served customers in industries, offices, shops, hospitals, schools, and homes — earning their trust and repeat business.
- On-Time Delivery & Competitive Pricing**

We value your time and budget, offering timely deliveries and competitive rates without compromising on quality.

Our Products & Services

At Samarth Power Solutions, we offer a comprehensive range of power solutions designed to meet the needs of homes, businesses, and industries alike. Whether you are looking for reliable products or professional services, we have you covered.

PRODUCTS WE OFFER

We deal in a wide selection of power backup and protection equipment, including:

✓ **SERVO STABILIZERS**

- In-house manufactured stabilizers ranging from 1 kVA to 200 kVA.
- Suitable for single-phase and three-phase applications.
- Designed to protect sensitive equipment from voltage fluctuations.
- Robust design, high efficiency, and long lasting performance.

✓ **INVERTERS**

- Authorized dealer of Microtek inverters.
- Inverters for residential, commercial, and industrial needs.
- Various capacities available to suit every requirement.

✓ **BATTERIES**

- High-quality batteries for UPS & inverters.
- Long life, maintenance-friendly, and reliable backup power.

✓ **UPS (UNINTERRUPTIBLE POWER SUPPLY)**

We deal in new and refurbished UPS systems from leading brands such as:

- Fuji Electric
- Vertiv (formerly Emerson)
- Numeric
- Kraykad
- Both online and line-interactive UPS solutions available.
- Capacities suited for offices, hospitals, data centers, industries, and more.

SERVICES WE PROVIDE

We believe that excellent after-sales support is as important as quality products. Our service offerings include:

INSTALLATION & COMMISSIONING

- Expert installation of stabilizers, inverters, batteries, and UPS systems.

MAINTENANCE & AMC

- Annual maintenance contracts (AMC) to keep your systems running smoothly.
- Regular inspections, preventive maintenance, and quick troubleshooting.

REPAIR & OVERHAUL SERVICES

- All types of UPS, inverters, and stabilizers repaired and overhauled.
- Skilled engineers and genuine spare parts for reliable repair work..

ON-SITE SERVICE ACROSS MAHARASHTRA

- With engineers located in every district, we ensure fast, on-site support anywhere in Maharashtra.

We aim to provide complete peace of mind to our customers by ensuring their power systems perform optimally, all the time.

CERTIFICATIONS & ACHIEVEMENTS

At **Samarth Power Systems**, we take pride in our commitment to quality, customer satisfaction, and continuous improvement. Over the years, we have earned the trust of thousands of customers across Maharashtra through our dedication to excellence.

OUR CERTIFICATIONS

- Certified manufacturer of servo stabilizers (1 kVA to 200 kVA) complying with industry standards.
- Authorized dealer certificate for Exide, Microtek Inverters & Batteries.
- Authorized channel partner for Fuji Electric, Vertiv (Emerson), Numeric, and Kraykad UPS systems.
- All our engineers are trained and certified technicians, ensuring professional and reliable service.

OUR ACHIEVEMENTS

- Certified manufacturer of servo stabilizers (1 kVA to 200 kVA) complying with industry standards.
- Successfully delivered and installed over 10,000+ units of stabilizers, UPS, inverters, and batteries across Maharashtra.
- Developed a statewide service network with engineers deployed in every district of Maharashtra — a unique advantage for our customers.
- Trusted supplier to a diverse range of clients, including:
 - Corporate offices
 - Hospitals & healthcare centers
 - Retail & small businesses
 - Educational institutions
 - Industrial units
 - Residential customers
- Recognized for our quick response time and dependable after-sales service by numerous clients.
- Introduced refurbished UPS solutions for cost-effective, eco-friendly power backup alternatives — a first in our area.

OUR CLIENTS & TESTIMONIALS

At **Samarth Power Solutions**, our greatest achievement is the trust and satisfaction of our customers. Over the past 1+ years, we have served clients across every corner of Maharashtra, providing them with reliable power solutions and unmatched service support.

We are proud to be a preferred partner for businesses, industries, institutions, and households who rely on us to keep their operations running smoothly — always powered, always protected.

INDUSTRIES & SECTORS WE SERVE

We work with a diverse range of customers, including:

- Industrial units & manufacturing plants
- Corporate offices & commercial establishments
- Educational institutions & schools
- IT companies & data centers
- Hospitals & healthcare centers
- Retail shops & showrooms
- Residential customers & apartment complexes

WHAT OUR CLIENTS SAY

We have been using Samarth Power System's stabilizers for over a decade — their products are durable, and their after-sales service is prompt and professional.

Owner, Industrial Client, Pune.

The refurbished UPS system we bought from them has saved us a lot of money without compromising performance. Highly recommend their services.

IT Manager, Corporate Office, Nashik.

Their engineers are always available when we need them. Excellent statewide support!

Hospital Administrator, Ahilyanagar.

We've worked with many suppliers over the years, but Samarth Power System stands out for their honesty, quality, and responsiveness.

School Principal, Ahilyanagar.

OUR TEAM & INFRASTRUCTURE

At **Samarth Power Solutions**, we believe that our greatest strength lies in our people and our infrastructure. Together, they form the backbone of our operations, enabling us to deliver consistent quality and service excellence to customers across Maharashtra.

OUR TEAM

SKILLED, DEDICATED, EVERYWHERE

We are proud to have a team of highly trained, experienced, and certified engineers and technicians, strategically located in every district of Maharashtra.

- Our technical staff undergo regular training to stay updated with the latest advancements in power solutions.
- We maintain a customer-first culture — our team is committed to solving your problems quickly and professionally.

- From consultation and installation to repair and maintenance, our experts ensure that you get the right solution at the right time.
- Our sales & support staff are friendly, knowledgeable, and dedicated to guiding you through every step of your power needs.

This strong statewide network enables us to respond faster than anyone else, minimizing downtime and keeping your operations running without interruption.

OUR INFRASTRUCTURE

BUILT FOR QUALITY

We have invested in a robust and modern infrastructure to manufacture and supply reliable products.

- Our manufacturing facility produces servo stabilizers in the range of 1 kVA to 200 kVA, adhering to strict quality control at every stage.
- Equipped with advanced testing equipment to ensure every product meets performance and safety standards before delivery.
- Well-stocked inventory of branded UPS, inverters, batteries, and genuine spare parts to ensure timely availability of products and quick repairs.
- Dedicated service vehicles and mobile repair kits enable our field engineers to handle on-site service efficiently.
